DENTON ENGINEERING GROUP CUP

GENERAL MANAGER'S REPORT

A big Saturday last weekend saw four out of the five Denton Cup matches being played. The Entrance played host to Macquarie in a tough, gritty match in very soggy conditions. After a Tigers try in the first minute, the Scorpions ground their way to the front by half time and held on to win 16-8. Up the road at Bill Hicks Oval, Wyong hosted Kurri after the match was transferred as 'the graveyard' at Kurri Kurri was unplayable due to the weather. Wyong led for most of the match and ran out comfortable winners 26-4. Maitland didn't have it all their own way in their first home match of the season, with Lakes leading 24-20 at one stage, before Maitland clicked in top gear for a 38-24 win. In the Bar TV feature match, Souths registered their first win of the season with a home 40-22 win over Central. In the last match of the round Cessnock defeated the Northern Hawks 34-22, with the match being deemed a forfeit as the Hawks played over the player points cap allowed for Denton Cup.

Although the Easter long weekend is now upon us, the footy doesn't stop. In fact, in a great precursor to the weekend there are three Thursday night Denton Cup matches you can chose to get out to – Wests host their first home match of the season against Wyong (7pm kick off), the Northern Hawks host their third home match in a row with an 8pm kick off against Macquarie and in a coalfields derby there is a big night ahead with Cessnock hosting Kurri (8pm kick off). Good Friday afternoon sees Lakes travelling to EDSACC to play The Entrance with a 3pm kick off and finally a special Easter Monday contest between Maitland and Souths takes place at Maitland Sportsground.

Get out to your local footy this long weekend! and Happy Easter to all the players, coaches, spectators and especially our club volunteers whose tireless work is the heartbeat of our competitions

CESSNOCK GOANNAS COACHES PREVIEW: HARRY SIEJKA

Sloppy game from us over the weekend
against the Hawks.

It was a pleasing result as a few of our boys turned out for
their first appearance of the year and probably not playing
our best we still managed to get away with points.

Doug Beale was again good and I thought Kori Barber
was big for us through the middle .

This weekend we have Kurri at home one that
every local circles on their calendar.

We are really excited to get back home on Thursday night
in what I'm sure will be a tough test against the Bulldogs

WYONG ROOS COACHES PREVIEW: MITCH WILLIAMS

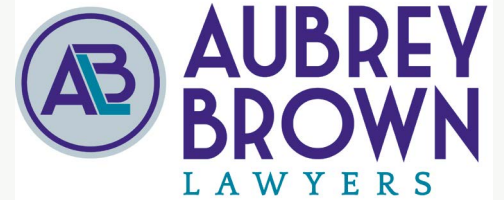

Happy to start the year with two wins in wet conditions. Against Kurri both teams struggled to control the ball and it wasn't until late that the game broke open. This week we play Wests on a short turn around and they will be a tough opponent at Harker Oval.

The team is still forming combinations and struggling to finish the opportunities created and that is our biggest area for improvement. Best last week for the Roos were Kye Hopwood & Brock Molan.

MACQUARIE SCORPS COACHES PREVIEW: MATT ROACH

Macquarie Scorpions Denton Cup side earned our first win of the season, away in rd 2 against The Entrance. The weather wasn't kind to either side, with heavy rain throughout the entirety of the game. It was pleasing to see the side grind out the victory against a very big and physical Tigers outfit

Congratulations to Joe Woodbury who celebrated 100 first grade games with a win and try to boot. Joe has had a fantastic career and we love having apart of our club

This Thursday night, we head up the Bay to take on the Northern Hawks in both Reserve and First Grade. We are anticipating tough encounters in both games, with their First Grade side only narrowly being beaten in both games to start the year

Reminder next Saturday 15th April, we return to Lyall Peacock, for our first home game of the year. We will celebrate our 'Sponsors' day and can't way to see all of our supporters

MAITLAND PICKERS COACHES PREVIEW MAT LANTRY

First and foremost, we'd like to pay our respect to the Maitland Pickers 1973 premiership winning team who attended our home game last weekend against Lakes. 50 years post their grand final win it was great to see them reminiscing and enjoying the day.

Credit to our opponents Lakes United who blew us off the park in the opening 15 minutes to lead 12 nil. Our guys kept a calm head and when some field position was offered up the guys got to work and took a 16 - 12 lead into the break. A carbon copy of the first half was had with Lakes again starting fast creating some score board pressure for our guys but the team showed great maturity to not chase the game and worked hard for their opportunities to finish with a hard fought win.

Players Player Sam Anderson / Coaches Award Sam Anderson

Reserve Grade

Maitland had a solid 24 to 4 win over West on Saturday

Firstly would like to congratulate all involved in the 71-73 premiership winning Maitland sides for their attendance was an honour for our guys to play in front them

The reserve grade game was a tough match played with plenty of spirit and some tough defence

First half tries to Jye Beiman King and Riley Yates and 2 goals to Jye Beiman King seen us leading 12 to 4 at the break

Second half proved very similar to first half with an intercept try to Riley Yates and another try to Jackson Eckford with 2 more goals to Jye Beiman King

A very pleasing start to year looking forward to continuing on easter Monday against Lakes

MAITLAND PICKERS COACHES PREVIEW: MATT LANTRY

Players player and coaches award both went to Tom Baker

U19s

Pickers 19's took on West. Another tough battle. It was who could hold the ball the longest would win the game. Both team's defence was strong. Going into half time nil all. The second half we completed our sets better and ended up winning 12-4.

Player's Player and coaches award went to Mal - Mhalikai Mercy.

SOUTHS COACHES PREVIEW: ANDREW RYAN

Last week was our first home game for the year.

Really pleasing to have a win in all 3 grades, especially on our sponsors day.

Huge thanks to our sponsors, we couldn't survive without you.

In first grade it was pleasing to bounce back after a heavy loss in Round 1 against Cessnock.

Disappointing to leak so many points and we will need to improve a lot in Round 3.

The challenges don't come much bigger than Maitland at their home ground.

Hopefully we get a lot of support on Easter Monday at Maitland.

CENTRAL COACHES PREVIEW: PHIL WILLIAMS

Congratulations to Souths on their wins in both 1st Grade and Reserve grade on the weekend at Townson Oval. Souths at home is always a tough trip and they certainly turned up ready to go and deserved their wins. Our boys will bounce back and set their sites on their upcoming games.

This week 1st Grade have the bye and after a tough preseason and the first few games it probably comes at a good time for us to refresh and get ready for Wyong in Round 4. Our Reserve Grade side however travel out to Cessnock on Thursday night for Round 3 and will be looking to bounce back into the winners circle. Hopefully the return of a few players will help lift the boys back up.
