GENERAL MANAGER'S REPORT

Last weekend's Round 14 Denton Cup match between Wests and Macquarie saw the Rosella's keep in touch with the top 5 with a 24-6 win thanks to a hat trick to their fullback Steve Widders, who was also the Bar TV feature match, player of the match. At Cessnock Showground the Goannas led all day to beat the Hawks 48-12. Maitland travelled to Cahill Oval and accounted for Lakes 48-12, while Wyong turned around last years defeat to Kurri at the Graveyard to beat the Bulldogs 64-6. In a match that had a significant top 5 implications. Souths made it nine wins on the bounce (yes, 9) to beat Central, who will need to beat Lakes this weekend to keep in touch with the other finals contenders.

Wests will be out to stop the Lions run when they travel to Townson Oval on Saturday. Cessnock and The Entrance are also set for a big clash at Cessnock, which is this weeks Bar TV match of week. There is only one more match this weekend in the Denton Cup and that's the Hawks hosting their last home match of the season, against Wyong. Kurri, Macquarie, and Maitland all have a bye, leading into next weekend which was to be a washout weekend, but due to the outstanding winter sun, we have no wash out matches to play, so it's a weekend off! After this weekend the competition will resume with Round 16 on the 22nd/23rd July when there will be just 3 rounds left in the regular season.

Finally, in a big win for the Newcastle Rugby League competitions, Wyong and The Entrance have been invited to play in the Newcastle Rugby League under 19s competition next season. This result has come through negotiations with Rugby League Central Coast, Hunter Junior League and the NSWRL. We thank all the stakeholders for their investment in this result. The full announcement on the 2024 under 19s competitions across the Hunter and Central Coast is below.

ADAM DEVCICH
General Manager

2024 CENTRAL COAST/HUNTER UNDER 19's COMPETITIONS

After negotiations between Rugby League Central Coast, Newcastle Rugby League, Hunter Junior Rugby League and the NSWRL, the four organisations are excited to announce a change to the under 18 and under 19s competitions across the region from 2024.

Next season will see the Central Coast under 19s competition and the Newcastle under 18.5s competitions combine into a single competition across the Central Coast/Hunter region. As part of the change and to assist in having under 19s teams playing at a level to match their capability, and for a draw alignment the Central Coast clubs that play in the Newcastle Rugby League Denton Engineering Cup will be invited to participate in an extended Newcastle Rugby League under 19s competition with Newcastle's District clubs.

Central Coast under 19s competition and the Newcastle under 18.5s competitions will ensure the sustainability of teams in both those competitions and give its players a wider range of opponent's compared to what is available to them with the competitions in their current forms.

Rugby League Central Coast, Newcastle Rugby League and the NSWRL will discuss the ability of players to move between the competitions and other competition rules over the coming months.

Central Coast Rugby League president Gerard Andrews said of the move to the combined competition 'it provides the opportunity for current under 17's and continuing under 19's players from both regions, to participate in a competition with similar abilities resulting in both competitive balance and competition sustainability.

Adam Devcich, General Manager of Newcastle Rugby League said 'Player numbers, and as a result, team numbers in the under 18s and under 19s highest age group is an issue in all regions, so to combine the competitions Central Coast under 19s competition and the Newcastle under 18.5s competitions and to give the Central Coast Denton Engineering clubs the opportunity to play in the Newcastle Rugby League under 19s competition, give all players at that age across the Hunter and Central Coast regions an opportunity to play the level that best suits them in competitions that are sustainable'.

Finally, Bob Dixon, Chairman of the Hunter Junior Rugby League added "Hunter juniors welcomes this outcome, this is a great example of the benefits of open dialog and collaboration between all interested parties and stakeholders to deliver an opportunity for our players to continue their Rugby League careers, we will continue to work closely together to further enhance competitions for the 17, 18, 19 age groups".

CENTRAL COACHES PREVIEW: PHIL WILLIAMS

Last weekend saw all 4 teams play on Old Butcher's Day at St John Oval. Congratulation to the two Women's side who had excellent win's and the two Men's side who fought hard against two very good sides in Wests and Souths respectively. The club wants to thank all our Old Butchers for coming out and supporting the club and making it a great, as well as helping to celebrate Dom Murphy's 100th Game. Special thanks to Mouse Croker for all his organisation and background work to get the day up and running and he was supported by the clubs amazing volunteers.

This weekend sees the club split across 4 venues and away from home. Good luck to the League Tag who take on Waratah, the Women's Tackle who take on Souths, Reserve Grade who tackle Maitland and 1st Grade who look to bounce back against Lakes.

Congratulations also to Sam Atkins who this weekend will play her 100th 1st game for Central Newcastle when the Ladies League Tag side take on Waratah on Thursday night at Waratah Oval. Sam becomes the 1st female player in the clubs 113-year history to reach this milestone. This is an enormous achievement and one the club is very proud of !!

MAITLAND NO.1 SPORTSGROUND**

MAITLAND PICKERS COACHES PREVIEW: MATT LANTRY

Last week against Lakes saw us put together our best first 40 minutes all year take a commanding 30 - 6 lead to the break. Missing Dan Langbridge, Matt Soper Lawler and Luke Knight our outside back depth was tested with Harrison Spruce doing a great job at left centre while Bailey Taylor keeps improving every week to be one of our most consistent players this year.

The second half was a different story with again errors and ill discipline creeping back into our game putting ourselves under pressure. Credit to Lakes United who rallied after half time and dominated majority of the second half.

Congratulations to Riley Yates who made his first grade debut on the weekend with some excellent reserve grade performances in recent weeks.

Coaches Award - James Bradley / Players Player - James Bradley

Matt Lantry

Maitland reserve grade came away with a 32 to 30 victory over a gallant Cessnock side. While it was one of our poorest defensive display of the year we still managed to hold on for the win which is pleasing to win while not being at your best shows plenty of character

Try scorers: Jacob Button x 2, Jarrod Smith, Lachlan Matthews, Dennis Spasithis. With Jye Beiman King kicking 6 from 6

Coaches award - Jackson Eckford / Players player - Shaun Bell

Brad Hafey

19's came up against a very well drilled Lakes side. Going down 32-8. There was some great effort shown in the game. Just few poor reactions after an error that lead to try's for Lakes.

Picker's scoring 2 try's , 1 each to Charlie Heffernan & Ned Jennings.

Coaches Award - Jett Robards Hassall

Players Player - Jett Robards Hassall

Paul Simpson

WYONG ROOS COACHES PREVIEW: MITCH WILLIAMS

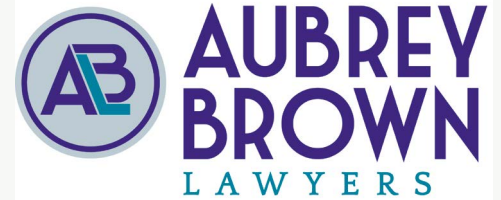

Last week saw us face Kurri at Kurri, a strong start on the back of a Luke Sharpe masterclass allowed both Cooper Bigeni and Lathan Hutchison Walters to cross for 4 tries each in a strong win. Kurri have used a huge number of players this year & have plenty of youth in their team which should see them build nicely in years to come. This week we travel to play the Northern Hawks who are a dangerous team full of quality players. We will also celebrate indigenous round in what I am sure will be a great occasion.
