As per Newcastle Rugby League rules and reg. club championship points are weighted as follows:

- (a) Three (3X) points per competition point earned in First grade
- (b) Two (2X) points per competition point earned in reserve grade
- (c) One (1x) points per competition point earned in Under 19

These weightings were not reflected in previous club championship tables in the previous programs.

GENERAL MANAGER'S REPORT

And then there were 5! After 18 rounds of our home and away season we are at the pointy end of the Denton Engineering Cup, with the five best left standing...and what a final series it promises to be! To Coalfields teams, two Central Coast teams and Souths who are flying the flag for the Newcastle area

A nail-biting win over Central last Sunday ensured the Cessnock Goannas finished in the top three, while a comprehensive second half by the Lions last Sunday saw them claim second spot. Those results mean that Townson Oval will be the scene to what promises to be an epic clash between Souths and Cessnock to see who goes onto next Saturday's major semi final against Maitland. The loser of that match will take on the winner of Sunday do or die, Elimination final between the best of the Central Coast, when the fourth place Wyong Roos take on The Entrance Tigers. That match will take place at St John Oval.

Please note ALL DENTON ENGINEERING CUP FINAL MATCHES INCLUDING THE GRAND FINAL WILL KICK OFF AT 2 PM

Of the 11 clubs that play in our Newcastle Rugby League competitions we have 8 clubs represented in the final series, which is great to see. Congratulations to all the teams that have made the final and we look forward to the entertainment that you provide!

Finally, for the clubs that didn't make the final a big thank you to your volunteers and committee members. Without you our clubs would not function Thank you for your tireless work and enjoy your off season.

WYONG ROOS COACHES REPORT

Congratulations to all teams playing finals footy.

After a couple of poor performances, we get the chance to play semi final football.

The team is excited for the challenge and looking forward to the clash.

THE ENTRANCE COACHES REPORT

Last game of the regular season saw the Mighty Tigers take on Minor Premiers Maitland Pickers at EDSACC Oval. With the Tigers having numerous injuries it was always going to be a tough and challenging game.

On what can only be described as a heavy track both teams battled hard with the score being 6 all at half time. The Tigers went early with a field goal to make it 7-6 but in true Picker fashion they come from behind with a win 12-7.

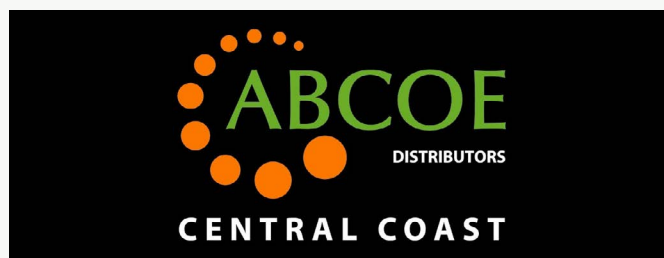

Heading into the Brydens Lawyers Finals Series the Entrance Tigers wish all the teams best of luck. We head to St Johns Oval to take on cross town rivals the Wyong Roos, in what will be a normal Wyong / Entrance clash it will be an entertaining game, played hard and the winner will have bragging rights for the 2023 season.

LAKES UNITED COACHES REPORT

Round 18 of The Denton Engineering Cup saw Old Boys Day here at Cahill Oval. We all shared a drink and many a memory with our past and present players. Kurri have shown enormous courage throughout the season and was a tough challenge for our men on Old Boys Day.

Whilst we have had an up and down season in the top grade again we have debuted plenty of Local juniors throughout the season. The final month of football had been largely improved and gives lakes great confidence that club is moving in the right direction.

We are looking forward to seeing our Ladies league Tag. Under 19 , C Grade and Reserve grade teams enter into finals football over the coming weeks.

lakes would like to thank there Junior affiliates, loyal supporters and sponsors for what has been a successful year. We look forward to having you back on board in 2024.

MAITLAND PICKERS COACHES REPORT

Last Sunday was a tough game played in pretty ordinary wet and cold conditions where in general, we were happy to leave The Entrance without any injuries heading into this year's finals series. Both sides failed to build any sort of pressure against each other with consistent errors playing their part. A pleasing aspect of the game was we could scrap out a tight win, it was good to see the team stay calm when The Entrance slotted a field goal to take a 7 - 6 lead fifteen minutes from fulltime. A penalty goal with 8 minutes on the clock saw us lead by one and then Dan Langbridge found Lincoln Smith in a nice hole to run 30 metres crossing the line to score to seal the win.

Best of luck to our U19s this week in their elimination final we'll all be supporting you guys

Cheers
Matt Lantry

19's took on West at Harker, in last competition game. The winner to finishing 2nd and loser to finish 4th. Pickers started well going to break 14-6 up. Some great attack and defended their line well. Turning West away. 2nd half Pickers start off well scoring, going to a 18-6 lead. To West credit they came back to win the game 20-18 on the bell. Few calls going against us and a no try given was disappointing. But that is footy.

Try scores -Billy 2, Mal & Loggo 1 each
