# GENERAL MANAGER'S REPORT

The Denton Engineering Cup really is a quality competition...both semi finals this weekend went down to the wire, with Souths prevailing by 6 against the Goannas and The Entrance coming back from 16-0 down to beat Wyong by a point.

On Saturday at Townson Oval, Souths looked to be in control leading 26-8 with less than 10 minutes to go, but 2 late tries saw Cessnock in with a last throw of the dice. However, the Lions held on and have earned the right to play Maitland at Maitland next Saturday, in a rematch of the Round 17 Sleepy's Day tussle. The prize for the winner is the first spot in the big dance on September 2.

On Sunday at St John Oval, the battle of the Central Coast had the Wyong Roos leading 16-0 early in the second half. However, the Tigers fought back with 3 quick tries and with 10 minutes to go the scores were locked at 16-all. A Harry Mulligan field goal with 5 to go proved the difference with Tigers getting up 17-16. So, The Entrance will now travel to Cessnock next Sunday in the minor semi final.

In the lower grades, Wests won both the under 19s and reserve grade qualifying semi finals over Souths to earn the right to play Lakes and Maitland respectively next Saturday in the major semi finals, leaving Souths to play the elimination final winners – Maitland in under 19s and Cessnock in reserve grade in next weeks minor semi finals.

Finals footy is the best time of year! So get out to Maitland on Saturday and Cessnock on Sunday to find out who the last 3 teams left in this year's competitions will be!

Finally, a word on Wyong who were knocked out this weekend. Having the Central Coast teams as part of the Denton Engineering Cup is a great boost to the competition and to their Rugby League operations manager Stephen Marks, their captain/coach, Mitch Williams and the team at the Roos, thank you for being an invaluable part of the competition and we look forward to seeing you in 2024!

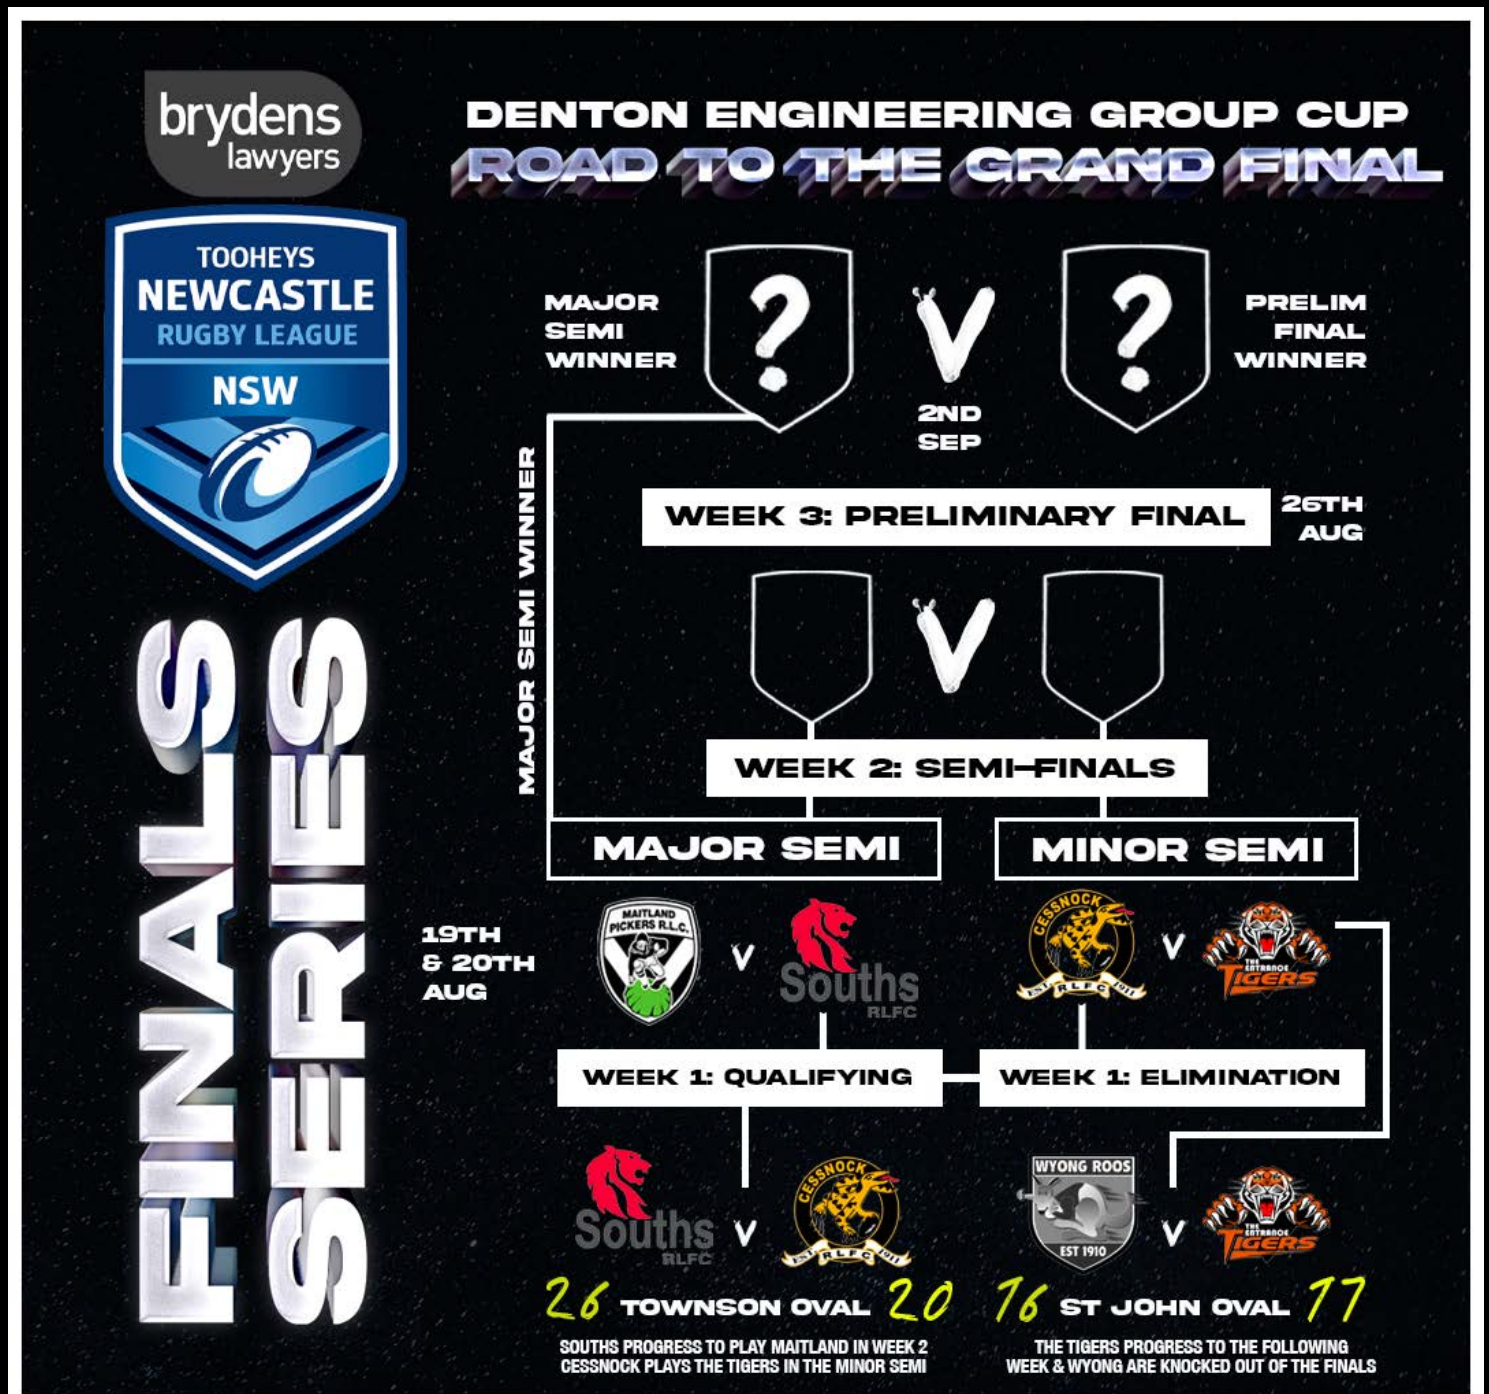

ADAM DEVCICH  
General Manager

# MAITLAND PICKERS WEEKEND REVIEW: COACHES

Congratulations to Simmo and his U19s on their win last weekend, the guys controlled the wet conditions well enough to secure a comfortable win. The most pleasing aspect was the effort the guys displayed in all the little areas of the game.

Our club is looking forward to this weekend in what should be a massive day at Maitland Sports Ground. It's timely we take the opportunity to thank our amazing committee members who keep moving this club forward and our wonderful sponsors for their support across 2023.

This weekend our club will also make a combined donation with Club Maitland City to the Sleepy's Foundation after we had the opportunity to be involved in the Sleepy's Foundation game a few weeks ago against Souths. This year to date our club has donated over \$12,000 to charity.

# THE ENTRANCE CLUB REPORT

Well what an EPIC Elimination Final, as predicated, it was always going to be a hard fought battle with the Wyong Roos. The Roo's hopped to a commanding lead in the first half leaving the TIGERS a little shell shocked. The boys went into the dressing shed still confident that they could pull the deficit back. The second half didn't start as planned with the Roo's scoring an early try. But the Tigers stuck to the game plan and rolled out 3 tries in 12 minutes, including a barnstorming run from Toby Key from 30 meters out, he will tell you it was from 60 meters out. The Brydens Lawyers Tigers then proceeded to get themselves in position early for a well struck field goal from Harry Mulligan making the score 17-16.

The Roo's threw everything at the Tigers in the dying stages but the boys defense held up. The Tigers would like to congratulate Mitch Williams and the Wyong Roo's on an amazing season, it was great to see two Central Coast sides battling it out in the Final Series.

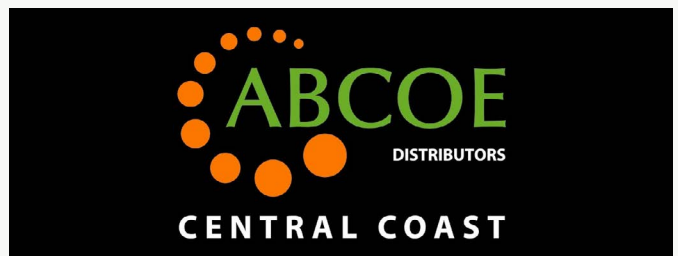

The Brydens Lawyers Tigers now head to Cessnock for another bruising encounter with the Goanna's with the winner of this game to play either Souths or Maitland the following week.
