UNDER 19'S ROAD TO THE GRAND FINAL

FINALS SERIES

Congratulations to South Newcastle who qualified for the Grand Final on the weekend with a 28-22 win over the Cessnock Goannas. Ryan Glanville (pictured) was our MOTM.

GENERAL MANAGER'S REPORT

Before we get to this weekend's games, what a great day the preliminary finals were at Kurri Sportsground last Saturday. With the very unusual sight of seeing red and white covering the Kurri Old Boys shed, the vocal and passionate Souths fans found their voice as their Denton Cup team overcame a 22 to 8 deficit to storm home to beat Cessnock 28-22. Although they fell one game short, a big congratulations to Harry Siejka and the Cessnock club for making the preliminary finals in both first and reserve grade.

The Rosellas has a successful day at Kurri with both their lower grade teams winning through to the grand final after beating Maitland in under 19s and Cessnock in reserve grade.

And so to Grand Final Day! The teams that finished the regular season in the top 2, in all three grades have made their way through to the grand final at McDonald Jones Stadium...and what a day in promises to be. In under 19s Lakes will be out to avenge last years defeat to Wests when the two clubs face off at 10.15am

In reserve grade Wests, who lost last years decider will be out to go one better when they take on Maitland who have been the benchmark in reserve grade, with only 1 loss in the regular season. Reserve grade kicks off is 12pm

In the big one, the Denton Engineering Cup, the Lions take on the Pickers. There was only a struck match between them two weeks ago when Maitland got home 24-22 in the major semi-final...so get out to McDonald Jones Stadium to see if the Lions can stop the Pickers taking back-to-back first grade premierships!

For the winner of our Denton Engineering Cup grand final, the season doesn't stop there! In two weeks' time (16/17 September) they will host the winner of Illawarra's Mojo Homes Cup in the first round of the Presidents Cup, with the winner of that match playing in the Presidents Cup final at CommBank Stadium, Parramatta on the 24th September.

To all the volunteers, club committee members, players, coaches, match officials and supporters, thank you for supporting the Newcastle Rugby League competitions. It is a great collaboration of people that bring these competitions to life. The competitions would not be as strong as they are without the input of you all.

To NSWRL CEO David Trodden, the board of the NSWRL, the staff of the NSWRL both at NSWRL HQ and locally, you provide great support and advice for these competitions which is greatly appreciated.

Finally, to the board of the Newcastle Rugby League. Thanks for providing the direction and guidance to the Newcastle Rugby League competitions. We look forward to building on a successful 2023 with an even better 2024!

MAITLAND PICKERS WEEKEND REVIEW: COACHES

The Pickers are proud to again be part of Newcastle Rugby League Grand Final day. It's also a special occasion to be sharing the day with our reserve grade team who appear in their first grand final since 2010.

The journey each and every year isn't possible without our volunteers delivering countless hours to run our club. To each and every one of you, we sincerely thank you for the amazing effort you've all gone to this year. A special mention must be made of John Gorman (president) and Jane O'Rourke (secretary) for their coordination of things behind the scenes to make the last fortnight move smoothly into grand final day.

We'd also like to thank Andrew Carraro for his work behind the scenes with the amazing artwork he's compiled for our change rooms to ensure the day is a memorable one for our players. Andrew your artwork is the best in the business and we're enormously grateful you're aligned with our club.

To our sponsors, you are the best in the business! We value each and every one of you for your support and contribution to our club. We hope you enjoy Saturday as much as we will. We look forward to celebrating with you back at Club Maitland City on what a successful season 2023 has been and hope you'll all join us for the ride again in 2024.

SOUTHS COACHES PREVIEW

Last weekend saw us travel to Kurri Kurri for a prelim final against a very tough team in Cessnock. Started well with first try after a few minutes but then the rest of the half fell away from Cessnock taking opportunities, being more willing and our team making errors and poor discipline. It meant we were down 14 to 4 at half time. After half time it was a real arm wrestle with Cessnock again having quite a lead.

The players spirit to come from behind to lift and score 3 late tries and advance to the grand final was really impressive! Can't thank enough the Souths supporters including families, volunteers and players from other grades that traveled to Kurri to get us home.

Also a huge thanks to Kurri Kurri football club that helped out so much. This week the ultimate test comes against the best team in the competition who are coming in fresh from the week off.

Can't wait to get to McDonald Jones Stadium to see all the support for our football club. If we go on the last few weeks in final, I know that this group will certainly give effort on Saturday.

Also wishing our A Grade team good luck in their preliminary final on Saturday, unfortunately we can't all be there to support.

Thanks again to all our volunteers, players and families we wouldn't be there on Saturday without you.

WESTS COACHES PREVIEW

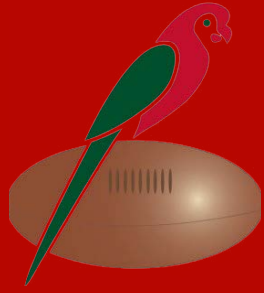

Firstly, I want to extend my congratulations to Matt and his under-19 Wests boys for reaching the Grand Final. We've been fortunate to have some of these boys support our team throughout the year. We wish them the best in their match against Lakes, which is sure to be an intense game.

On behalf of the reserve grade squad, I'd also like to express our gratitude to the Wests' support staff and volunteers who contribute to the seamless operation of our games each week.

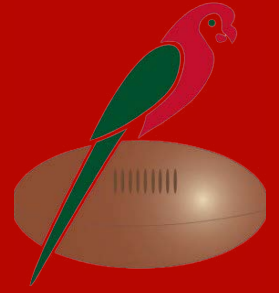

Our team, led by Captain Nick Haggerty, has earned the chance to compete on grand final day against a formidable Maitland side. With a talented roster from 1 to 19, I take pride in our achievements this year, I wouldn't trade any of them; it's been my pleasure to coach this very tight group. Special thanks to Callan Richardson and Jermaine Ale for the support throughout the year in 2023.

Let's ramp it up and go the maggots!

Lucas Miller
